Haynes Repair
Manual
Based on real-

life experience and written by expert authors, the books in the Maintenance and Upgrades Manual series from Crowood will help owners develop the workshop skills needed for the maintenance and repair of their cars, and give guidance on possibilities for improvements and upgrades to performance. With step-by-step instructions and safety information throughout, this book is a

valuable technical resource for owners of Mk1 and Mk2 Mazda MX-5s. Illustrated with over 700 colour photographs the book covers: tools and safety; weekly routine checks and twice-yearly checks, plus preparing for the MOT test; engine maintenance and tuning; gearbox and differential; brake maintenance and upgrades; uprating the suspension bushes and changing the springs and

dampers; bodywork and hood maintenance and finally, what else can you do with an MX-5? Will be of interest to all amateur and professional motor mechanics and is superbly illustrated with over 700 colour photographs. Popular Mechanics The Crowood Press Popular Science gives our readers the information and tools to improve their technology and their

world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
