California Press

This is your life. Right now. You don't get a second chance to get it right. There are no mulligans. No do-overs. And no one has ever drifted into a rich and meaningful life by accident. But here's the good news: you are ridiculously in charge of

your own life. As a Christ follower, you have every resource you need to live the abundant life Jesus promised. In *It's Your ONE Life*, pastor Lance Witt offers you a roadmap to align yourself with God's purposes and take extreme ownership over your life. Sharing several practical tools, Witt shows you how to - craft the life you want - care for your emotional health -

establish a healthy rhythm of life - do life with God, not just for God - and practice the presence of people A life of significance, focus, and richness is well within your grasp. *It's Your ONE Life* is the blueprint for making it happen.

**Your ONE Life** Catapult "[This is] a book about art (and writing about art), about emptiness, breathing, ordinary

language, mysticism, the body, the sexes, childhood, parenting, impersonality, God, theory, exchange, change, tact, forms of inattention, belief, scepticism ..." Adam Phillips, from the new introduction.

**Wayward** Ruminator Books

How often do we ask ourselves, 'What will make me happy? What do I really want from life?' In *A Life of One's Own* Marion Milner explores these questions and embarks on a seven year

personal journey to discover what it is that makes her happy. On its first publication, W. H. Auden found the book 'as exciting as a detective story' and, as Milner searches out clues, the reader quickly becomes involved in the chase. Using her own personal diaries, kept over many years, she analyses moments of everyday life and discovers ways of being, of looking, of moving, that bring surprising joy - ways which can be embraced by anyone. With a new

introduction by Rachel Bowlby this classic remains a great adventure in thinking and living and will be essential reading for all those interested in reflecting on the nature of their own happiness - whether readers from a literary, an artistic, a historical, an educational or a psychoanalytic/psychotherapeutic background. [Save Your Own Damn Life](#) Routledge Analyzes the changes which have occurred over this century in the timing of transitions to adult life

in the United States such as transitions out of school and into work and out of the parental home and into marriage and parenthood. Links demographic behavior with popular beliefs, and with the social and cultural developments and major events in American society from the 1920s to the 1970s. Penguin UK  
A Sunday Times Top 10 Bestseller As one of the best biographers of her generation, Claire Tomalin has written about great novelists and poets to

huge success: now, she turns to look at her own life. This enthralling memoir follows her through triumph and tragedy in about equal measure, from the disastrous marriage of her parents and the often difficult wartime childhood that followed, to her own marriage to the brilliant young journalist Nicholas Tomalin. When he was killed on assignment as a war correspondent she was left to bring up their four children - and at the same time make her own career. She writes of the

intense joys of a fascinating progression as she became one of the most successful literary editors in London before discovering her true vocation as a biographer, alongside overwhelming grief at the loss of a child. Writing with the élan and insight which characterize her biographies, Claire Tomalin sets her own life in a wider cultural and political context, vividly and frankly portraying the social pressures on a woman in the Fifties and Sixties, and showing 'how it was for a European girl

growing up in mid-twentieth-century England ... carried along by conflicting desires to have children and a worthwhile working life.'

*An Experiment in Leisure*

Simon and Schuster

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two

speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance - women and learning, writing and poverty - which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence - a call

which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian*  
 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

 A travel story is the best story of them all... Travel journalist Kate Wills wasn't expecting to be divorced after less than a

year of marriage, or to be forced to restart a life that had seemed so stable for so long. Luckily, her job as a writer offered her the perfect opportunity to escape from it all. But this time, with no deadlines to hit or all-expenses-paid trips to absorb in a few days before churning out copy for a travel magazine, her jet-setting felt different. There were no photographers working alongside her or assistants booking her flights. For the first time ever, Kate was traveling alone. Feeling

unexpectedly out of her element, Kate began to scour history for stories of female travelers to inspire her. From a 4th-century nun to a globe-circling cyclist, Kate discovered that there have always been astonishing women who have broken free from society's expectations, clearing the path for many of us to do the same. Funny, heartfelt, and guaranteed to spark wanderlust, *A Trip of One's Own* is the perfect armchair travel read to inspire you to jump in the car or hop on

a plane to explore the world. This book is the must-have next read for any aspiring solo female traveler!

*The Way of Integrity*

Penguin Paperbacks

This volume combines two books by Virginia Woolf which are among the greatest contributions to feminist literature this century. They consider the implications of the historical exclusion of women from education and from economic independence.

*A Life of One's Own*

Rethink Press

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • A “furious and addictive new novel” (The New York Times) about mothers and daughters, and one woman's midlife reckoning as she flees her suburban life. “A virtuosic, singular and very funny portrait of a woman seeking sanity and purpose in a world gone mad.” —The New York Times Book Review  
 “Riddled with insights into aging, womanhood, and discontent, *Wayward* is as elegant as it is raw, and almost as funny as it is

sad.” —Philadelphia Inquirer “A comic, vital new novel.” —The New Yorker  
 Samantha Raymond's life has begun to come apart: her mother is ill, her teenage daughter is increasingly remote, and at fifty-two she finds herself staring into “the Mids”—that hour of supreme wakefulness between three and four in the morning in which women of a certain age suddenly find themselves contemplating motherhood, mortality, and, in this case, the state of our unraveling nation.

When she falls in love with a beautiful, decrepit house in a hardscrabble neighborhood in Syracuse, she buys it on a whim and flees her suburban life—and her family—as she grapples with how to be a wife, a mother, and a daughter, in a country that is coming apart at the seams. Dana Spiotta's *Wayward* is a stunning novel about aging, about the female body, and about female complexity in contemporary America. Probing and provocative, brainy and sensual, it is a

testament to our weird times, to reforms and resistance and utopian wishes, and to the beauty of ruins.

Independent Thinking in an Uncertain World

Vintage

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared

with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent

management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world. *A Life of One's Own* Penguin An instant New York Times bestseller "A haunting, harrowing testament to survival." — People Magazine "An addictive chronicle of a polygamist community." — New York Magazine "Unforgettable" — Entertainment Weekly

The thirty-ninth of her father's forty-two children, Ruth Wariner grew up in polygamist family on a farm in rural Mexico. In *The Sound of Gravel*, she offers an unforgettable portrait of the violence that threatened her community, her family's fierce sense of loyalty, and her own unshakeable belief in the possibility of a better life. An intimate, gripping tale of triumph and courage, *The Sound of Gravel* is a heart-stopping true story. One of Your Own New

York Review of Books "Rich with subplot, historical detail and beautifully descriptive writing that keeps the pages turning until the delightfully unconventional happy ending."—NPR An Indie Next/LibraryReads pick! An Apple Must Listen Audiobook for September! A lady must have money and an army of her own if she is to win a revolution—but first, she must pit her wits against the wiles of an irresistible rogue bent on wrecking her plans...and her heart.

Lady Lucie is fuming. She and her band of Oxford suffragists have finally scraped together enough capital to control one of London's major publishing houses, with one purpose: to use it in a coup against Parliament. But who could have predicted that the one person standing between her and success is her old nemesis and London's undisputed lord of sin, Lord Ballentine? Or that he would be willing to hand over the reins for an outrageous price—a night in her bed. Lucie tempts Tristan like no other

woman, burning him up with her fierceness and determination every time they clash. But as their battle of wills and words fans the flames of long-smoldering devotion, the silver-tongued seducer runs the risk of becoming caught in his own snare. As Lucie tries to out-manuever Tristan in the boardroom and the bedchamber, she soon discovers there's truth in what the poets say: all is fair in love and war...

A Life of One's Own

HarperCollins Publishers  
NEW YORK TIMES

**BESTSELLER** The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23

Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain

for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and

Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. [A Sense of the Mysterious](#) Duckworth Overlook

Draws on the wisdom of one of the twentieth century's most acclaimed authors to provide a lively guide to enhancing the quality of everyday life as revealed in the words of Virginia Woolf, covering such topics as Accept Solitude, Take on Challenging Friendships, Change Routine, Lie to Encourage Your Friends, and Read and Be More. Original. 35,000 first printing.

"A game-changer in the

world of biography."

—Mary Beard, *The Guardian* Shortlisted for the Costa Biography Award Born on the brink of the modern world, John Aubrey was witness to the great intellectual and political upheavals of the seventeenth century. He knew everyone of note in England—writers, philosophers, mathematicians, doctors, astrologers, lawyers, statesmen—and wrote about them all, leaving behind a great gift to posterity: a compilation of biographical information

titled *Brief Lives*, which in a strikingly modest and radical way invented the art of biography. Aubrey was born in Wiltshire, England, in 1626. The reign of Queen Elizabeth and, earlier, the dissolution of the monasteries were not too far distant in memory during his boyhood. He lived through England's Civil War, the execution of Charles I, the brief rule of Oliver Cromwell and his son, and the restoration of Charles II. Experiencing these constitutional crises and regime changes,

Aubrey was impassioned by the preservation of traces of Ancient Britain, of English monuments, manor houses, monasteries, abbeys, and churches. He was a natural philosopher, an antiquary, a book collector, and a chronicler of the world around him and of the lives of his friends, both men and women. His method of writing was characteristic of his manner: modest, self-deprecating, witty, and concerned above all with the collection of facts that would otherwise be

lost to time. John Aubrey, *My Own Life* is an extraordinary book about the first modern biographer, which reimagines what biography can be. This intimate diary of Aubrey's days is composed of his own words, collected, collated, and enlarged upon by Ruth Scurr in an act of meticulous scholarship and daring imagination. Scurr's biography honors and echoes Aubrey's own innovations in the art of biography. Rather than subject his life to a

conventional narrative, Scurr has collected the evidence—the remnants of a life from manuscripts, letters, and books—and arranged it chronologically, modernizing words and spellings, and adding explanations when necessary, with sources provided in the extensive endnotes. Here are Aubrey's intricate drawings of Stonehenge and the ancient Avebury stones; Aubrey on Charles I's execution ("On this day, the King was executed. It was bitter

cold, so he wore two heavy shirts, lest he should shiver and seem afraid"); and Aubrey on antiquity ("Matters of antiquity are like the light after sunset—clear at first—but by and by crepusculum—the twilight—comes—then total darkness"). From the darkness, Scurr has wrested a vibrant, intimate account of the life of an ingenious man. *A Field of One's Own*

OPRAH'S BOOK CLUB PICK  
AN INSTANT NEW YORK

TIMES BESTSELLER "A roadmap on the journey to truth and authenticity... [The Way of Integrity] is filled with aha moments and practical exercises that can guide us as we seek enlightenment."  
—Oprah Winfrey  
Bestselling author, life coach, and sociologist Martha Beck explains why "integrity"—needed now more than ever in these tumultuous times—is the key to a meaningful and joyful life As Martha Beck says in her book, "Integrity is the cure for psychological suffering.

Period." In *The Way of Integrity*, Beck presents a four-stage process that anyone can use to find integrity, and with it, a sense of purpose, emotional healing, and a life free of mental suffering. Much of what plagues us—people pleasing, staying in stale relationships, negative habits—all point to what happens when we are out of touch with what truly makes us feel whole. Inspired by *The Divine Comedy*, Beck uses Dante's classic hero's journey as a framework to

break down the process of attaining personal integrity into small, manageable steps. She shows how to read our internal signals that lead us towards our true path, and to recognize what we actually yearn for versus what our culture sells us. With techniques tested on hundreds of her clients, Beck brings her expertise as a social scientist, life coach and human being to help readers to uncover what integrity looks like in their own lives. She takes us on a spiritual adventure that not only

will change the direction of our lives, but also bring us to a place of genuine happiness.
