places in this final installment of the Just Breathe trilogy."Just Breathe leaves you absolutely breathless!" -Grace, MyBookSnackBook 3 in Kendall Grey's Just Breathe paranormal romance series *Project Hail Mary* Virgin Books Limited

The novel is a MLK trilogy, titled *Reap the Hot September Harvest*. It is literature of the Civil Rights Movement's history and has a broad appeal to America at large. On Mother's Day, 1960, after meeting MLK in Atlanta, Desiree—the title of Book One—and the Freedom Riders are attacked by the Klan in Anniston, AL. Did she faint, or die and return? Is she the reason an elderly Black vet of WWII kills himself? Answers are revealed and rejected. Treatments fail, years pass, desperation sets in. Then, Desiree meets a young minister

returning from Egypt with spiritual enlightenment he garnered from an ancient scribe of God's philosophy. Desiree, now a yoga adept, is intrigued. He claims they are missing links in Blacks' religious practices, and can demystify the mythology of white supremacy. Her feelings soar, but she soundly rejects his ugly denunciation of Blacks' force fed Christianity. The minister's rebound kindles a hasty romance. Desiree purrs, "Why am I a flower of sacrifice." "Flowers nourish the soul, sacrifice means atonement." Enduring moments, strumming her heart strings with spiels like why African-Americans are proponents of jazz, ripens her for the obvious question. Desiree resists; she is not ready to reveal her dark side. The reverend persists, and

says he is the chosen pastor of a church in a small Southern town. It promises a chance to establish the MLK Center of Social Awareness and Spirituality, make MLK's Promised Land a reality. In Book Two we read the reverend's story, while Desiree arranges to relocate, become a pastor's wife and teach yoga.

"A radiant debut."—Emily Henry, #1 New

York Times bestselling author of *Book Lovers* THE NEW YORK TIMES BESTSELLER! Named One of the Hottest Reads of Summer 2022 by Today • Parade • PopSugar • USA Today • SheReads • BuzzFeed • BookBub • Bustle • and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of

Sam Florek—the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the

course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.

The vile, base language and shocking, unholy sexual acts contained herein are not condoned by anyone with a lick of sense and should certainly not be reproduced without proper training and protection. The potty-mouthed and perpetually horny "heroine" (the term is used

loosely) of this book does not resemble a normal, well-adjusted, or remotely believable person in any way, shape, or form. The author acknowledges that the characters in this book are shallow and two-dimensional; the plot is both ridiculous and insipid. She makes no apologies for any of it. * Readers are strongly advised to wear latex gloves whilst reading to minimize contamination risks.
