Japan. A new age of corporate feudalism. The worlds of business, organized crime, and politics now exist in a delicate interdependence. Enter the Noh, a government agency that secretly polices that balance of worlds. Kabuki, an operative of the Noh, has disappeared. Her quest to come to terms with her history has put her in direct conflict with the powers she serves. The other Noh Agents are sent to search for her. The trail leads

them through a labyrinth of corporate espionage, conflicting government agencies, and the Japanese underworld. A mix of criminal intrigue, personal duality, and awkward friendship, elegantly told through the masks and metaphors of Japanese mysthology.
