Red Hen Press

Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be

a letter in a strange, spidery handwriting and a beautiful colored drawing or painting. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how the reindeer got loose and scattered presents all

over the place; how the accident-prone North Polar Bear climbed the North Pole and fell through the roof of Father Christmas's house into the dining room; how he broke the Moon into four pieces and made the Man in it fall into the back

garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house, and many more. No reader, young or old, can fail to be charmed by Tolkien's inventiveness in this classic holiday treat.

Family Business

Hardpress Publishing

A touching, inspiring, and ultimately healing book of writings from real people. Composed of letters and poems that depict brief snapshots of women's relationships with their fathers with an overall

tone of gratitude, or of valuable lessons learned, often despite difficult circumstances.

Letters from a Father to his Son, on his entering the Army. ... By an old Officer

Penguin Random House

His Sons in College

Inspiring Voices

The New York Times bestselling author of Writing My Wrongs invites men everywhere on a journey of honesty and healing through this book of moving letters to his sons—one whom he is raising and the other whose childhood took place during Senghor's nineteen-year incarceration. "A visceral and visual journey for the ages . . . the perfect road map for us to remove the barriers and obstacles against our true

feelings.”—Kenya Barris, creator of black-ish ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Essence Shaka Senghor has lived the life of two fathers. With his first son, Jay, born shortly after Senghor was incarcerated for second-degree murder, he experienced the regret of his own mistakes and the disconnection caused by a society that sees Black lives as disposable. With his second, Sekou, born after Senghor's release, he has experienced healing, transformation,

intimacy, and the possibilities of a world where men and boys can openly show one another affection, support, and love. In this collection of beautifully written letters to Jay and Sekou, Senghor traces his journey as a Black man in America and unpacks the toxic and misguided messages about masculinity, mental health, love, and success that boys learn from an early age. He issues a passionate call to all fathers and sons—fathers who don't know how to show their sons love, sons

who are navigating a fatherless world, boys who have been forced to grow up before their time—to cultivate positive relationships with other men, seek healing, tend to mental health, grow from pain, and rewrite the story that has been told about them. *Letters to the Sons of Society* is a soulful examination of the bond between father and sons, and a touchstone for anyone seeking a kinder, more just world. *Letters to Fathers from Daughters* Applewood Books

Letters from the Father's Heart is a unique devotional book written in first person as if God is speaking directly to you and captures the heart of the Heavenly Father. He reveals His way of handling life's daily problems and the trials that you face, and addresses the lies you believe and refutes these with His truth. You begin to see things through His eyes as He shares His heart, emotions and desires with you. He conveys just how much He loves you by opening

up His heart so you can better understand how He thinks and feels. This helps you to know and trust Him better and receive His love, and in turn, develop a closer relationship with Him. He explains in ways you can understand what it means to have your identity in Him as you embrace your position as His beloved child and the hope that gives you. This book can change your life!

Father's Love Letter

Thomas Nelson

A touching look into the heart and family of one of America's greatest poets. As a literary portrait of a father and son, little can match the eloquence and honesty of this collection of letters, written between

Allen Ginsberg and his father, Louis, spanning the years 1944 to 1976. Their correspondence is filled with affection, respect, and a healthy dose of argumentative zeal—they debate every major political and artistic issue that faced America in over three decades of extraordinary change. But the letters also tell of a strong bond of intimacy and affection between the two, revealing just how crucial that closeness was to the development of Allen Ginsberg's art. Emily, a moral tale:

including letters from a father to his daughter upon the most important subjects. Second edition Houghton Mifflin Harcourt As unresolved issues carried from one generation to the next, author Suzanne L. Holko tried to make sense of her family's situation. She began rereading the letters her father, Walter, had written to her while she was attending college forty years earlier. She also began searching for her father's ancestors, connecting her with newfound relatives. In

Letters from My Father, Holko tells how the intertwining of these events led to a story of understanding, acceptance, forgiveness, and unconditional love. She shares how comprehending the details of her father's life and what unfolded within her search gave light to the generational wounds unintentionally handed down through her father's ancestors. She also reveals how she gained further awareness to the challenges faced within her own life and the

obvious parallels within both her father's life—and the grandfather she never knew. Letters from My Father describes Holko's spiritual journey, the healing that occurred, and the blessings that were gained. She received a renewed understanding of “all in God's timing” and the joy found within acceptance and unconditional love.

Letters from a Father to His Son: Letters ... written in the years 1798 and 1799. 1800

Letters from a Father
For years now, it has been

the author's habit to write a monthly letter to his children during their teenage years. The letters cover an amazing array of life lessons that also show an intimate glimpse of one family's life journey. All families, the same challenges and it is this connection that makes the book endearing and relevant to all who read it. Christian faith and values are highlighted throughout, and stories from the bible are brought to life. “I've read hundreds of books on fathering and Letters

From a Father is at the very top of the list. This book shares timeless words of wisdom, grounded in scripture from the heart of a devoted father." David Hirsch, founder 21st Century Dads Foundation & Host of the Special Fathers Network Dad to Dad Podcast. "Please read this book and perhaps start writing to the kids in your life. Letters from a Father is priceless." Bob Muzikowski, Founder and President, Chicago Hope Academy

What began as a passion in the heart of a father of seven has led to a new men's movement. Many fathers are asking "How do I leave something of lasting value to my children and grandchildren?" This book helps dads leave treasured words of love and blessing to their children.

Letters from a Father to His Daughter

Covenant Books, Inc.

This book is a simple book of letters written for you, a grieving loss dad, from other loss dads who are living and surviving after the death of their precious child. In the pages of this book, fathers from around the world share letters of love from their hearts to yours with the hope that, maybe, in the darkest, loneliest hours of grief, you will find a little bit of comfort in the words of another father who has been where you are now. Too often the father's grief and experience of loss is overshadowed or

unacknowledged after the death of their children. This book offers acknowledgement and gives voice to the experience of fathers grieving their children. The fathers speaking through in these pages offer support and recognition to let you know that you are not alone. They are here with you.

Inspired by and dedicated to the author's son, Jackson, this book is full of positive life lessons and fatherly advice that we can all live by. From being a man of integrity to remembering those who are less fortunate, A Father's Letter to His Son is sure to make a profound impact on any reader.

Letters from a Father to his Son entering

College Scholarly Pub Office Univ of
What does it really mean to be a good father? What did your father tell you, that has stayed with you throughout your life? Was there a lesson from him, a story, or a moment that helped to make you who you are? Is there a special memory that makes you smile when you least expect it? After the publication of Tim Russert's number one New York Times bestseller about his father, Big Russ & Me, he received an avalanche of letters from

daughters and sons who wanted to tell him about their own fathers, most of whom were not superdads or heroes but ordinary men who were remembered and cherished for some of their best moments—of advice, tenderness, strength, honor, discipline, and occasional eccentricity. Most of these daughters and sons were eager to express the gratitude they had carried with them through the years. Others wanted to share lessons and memories and, most

important, pass them down to their own children. This book is for all fathers, young or old, who can learn from the men in these pages how to get it right, and to understand that sometimes it is the little gestures that can make the big difference for your child. For some in this book, the appreciation came later than they would have liked. But as *Wisdom of Our Fathers* reminds us, it is never too late to embrace it. From the father who coached his daughter in sports

(and life), attending every meet, game, performance, and tournament, to the daughter who, after a fifteen-year estrangement, learned to make peace with her difficult father just before he died, to the son who came, at last, to appreciate the silent way his father could show affection, *Wisdom of Our Fathers* shares rewarding lessons, immeasurable gifts, and lasting values. Heartfelt, humorous, engaging, irresistibly readable, and bound to

bring back memories of unforgettable moments with our own fathers, Tim Russert's new book is not only a fitting companion to his own marvelous memoir, but also a celebration of the positive qualities passed down from generation to generation.

""With our American Philosophy and Religion

series, Applewood reissues many primary sources published throughout American history. Through these books, scholars, interpreters, students, and non-academics alike can see the thoughts and beliefs of Americans who came before us.""

Letters from a Young Father

The Italian poet and film director shares a series of loving letters to his unborn child in this intimate and reflective poetry collection. Becoming a parent

changes everything. Fear and love live together. An expectant father desperately want to give his child happiness and safety—two qualities of life that are often at odds with each other. Letters from a Young Father comprises forty letter-poems written by award-winning film director Edoardo Ponti to his unborn child during the forty weeks of his wife's pregnancy. These poems are gifts, lessons, slices of joy, blueprints for building a life, and insights into how we work, learn, love,

and remember.
