First in the Edgar Award-winning series “that never disappoints,” featuring the forensic anthropologist known as the Skeleton Detective (The Philadelphia Inquirer). When anthropology professor Gideon Oliver is offered a teaching fellowship at US military bases in Germany, Sicily, Spain, and Holland, he wastes no time accepting. Stimulating courses to teach, a decent stipend, all expenses paid, plenty of interesting European travel . . . What’s not to like? It

does not take him long to find out. On his first night, he is forced to fend off two desperate, black-clad men who have invaded his Heidelberg hotel room with intent to kill. And then there are a few trivial details that the recruiting agency forgot to mention—such as the fact that the two previous holders of the fellowship both met with mysterious ends. From there, it is all downhill. Gideon finds himself the target in an unfamiliar game for which no one has bothered to give him the rules. What he does have is his own considerable intellect and his remarkable forensic skills. He will need them, for he is

playing for some fairly high stakes: the security of Western Europe. Fellowship of Fear is the 1st book in the Gideon Oliver Mysteries, but you may enjoy reading the series in any order.

For nearly two decades, *Television: Critical Methods and Applications* has served as the foremost guide to television studies. Designed for the television studies course in communication and media studies curricula, *Television* explains in depth how television programs and commercials are made and how they function as producers of meaning. Author Jeremy G. Butler shows the ways in which camera style, lighting, set design, editing, and sound combine to produce meanings that viewers take away from their television experience. He supplies students with a whole toolbox of implements to disassemble television and read between the lines, teaching them to incorporate critical thinking into their own television viewing. The fourth edition builds upon the pedagogy of previous editions to best accommodate current modes of understanding and teaching television. Highlights of the fourth edition include: New chapter and part organization to reflect the current approach to teaching television—with greatly expanded methods and theories chapters. An entirely new chapter on

modes of production and their impact on what you see on the screen. Discussions integrated throughout on the latest developments in television's on-going convergence with other media, such as material on transmedia storytelling and YouTube's impact on video distribution. Over three hundred printed illustrations, including new and better quality frame grabs of recent television shows and commercials. A companion website featuring color frame grabs, a glossary, flash cards, and editing and sound exercises for students, as well as PowerPoint presentations, sample syllabi and other materials for instructors. Links to online videos that support examples in the text are also provided. With its distinctive approach to examining television, Television is appropriate for courses in television studies, media criticism, and general critical studies.

In this enthralling new tale from bestselling author Christopher Golden, one man is drawn into a realm just across the veil from our own, where every captivating myth and fairy tale is true, the vanished

exist—and every fear is founded.... Yielding to his father's wishes, Oliver Bascombe abandoned his dream of being an actor and joined the family law firm. Now he will marry a lovely young woman bearing the Bascombe stamp of approval. But on the eve of his wedding, a blizzard sweeps in—bringing with it an icy legend who calls into question everything Oliver believes about the world and his place in it....

Pursued by a murderous creature who heeds no boundaries, Jack Frost needs Oliver's help to save both himself and his world—an alternate reality slowly being displaced by our own. To help him, Oliver Bascombe, attorney-at-law, will have to become Oliver Bascombe, adventurer, hero—and hunted. So begins a magnificent journey where he straddles two realities...and where, even amid danger, Oliver finds freedom for the very first time. From the Trade Paperback edition.

Contemporary Hollywood Masculinities Wentworth Press

From the New York Times bestselling author of *Confessions of a Scary Mommy* and the wildly popular blog ScaryMommy.com, a hilarious new essay collection that exposes the “vicious lies”

that every parent is told. Newly pregnant and scared out of her mind, Jill Smokler lay on her gynecologist's examination table and was told the biggest lie she'd ever heard in her life: “Motherhood is the most natural thing in the world.” Instead of quelling her nerves like that well intentioned nurse hoped to, Jill was instead set up for future of questioning exactly what DNA strand she was missing that made the whole motherhood experience feel less than natural to her. Wonderful? Yes. Miraculous? Of course. Worthwhile? Without a doubt. But natural? Not so much. Jill's first memoir, the New York Times bestseller *Confessions of a Scary Mommy*, rocketed to national fame with its down and dirty details about life with her three precious bundles of joy. Now Jill returns with all-new essays debunking more than twenty pervasive myths about motherhood. She's here to give you what few others will dare: The truth.

The hilarious, take-no-prisoners novel about a cynical, sex-obsessed teenager's pining love for an intelligent girl—the basis for the major motion picture starring Michael Cera. Youth in Revolt is the journals of Nick Twisp, California's most

precocious diarist, whose ongoing struggles to make sense out of high school, deal with his divorced parents, and lose his virginity result in his transformation from an unassuming fourteen-year-old to a modern youth in open revolt. As his family splinters, worlds collide, and the police block all routes out of town, Nick must cope with economic deprivation, homelessness, the gulag of the public schools, a competitive type-A father, murderous canines, and an inconvenient hair trigger on his erectile response—all while vying ardently for the affections of the beautiful Sheeni Saunders, teenage goddess, and ultimate intellectual goad.

When successful Atlanta lawyer Leonard Martin loses his family—wife, daughter and grandchildren—to a vicious strain of e.coli, he wins a six-million-dollar settlement and promptly disappears. Three years later, Martin begins gunning down those connected to Knowland, the meat-packing company responsible, one by one, from

line workers to high-powered investment bankers. Vietnam vet Walter Sherman, aka the Locator, is the very expensive independent contractor those high-powered bankers hire to find the killer.

The North American Model of Wildlife Conservation Crown

Peter Evans's biography of Aristotle Onassis, Ari, met with great acclaim when it was published in 1986. Ari provided the world with an unprecedented glimpse of the Greek shipping magnate's orbit of dizzying wealth, twisted intrigues, and questionable mores. Not long after the book appeared, however, Onassis's daughter Christina and his longtime business partner Yannis Georgakis hinted to Evans that he had missed the "real story" -- one that proved Onassis's intrigues had deadly results. "I must begin," Georgakis said, "with the premise that, for Onassis, Bobby Kennedy was unfinished business from way back..." His words launched Evans into the heart of a story that tightly bound Onassis not to Jackie's first husband, but to his ambitious younger brother Bobby. A bitter rivalry emerged between Bobby and Ari long before Onassis and Jackie had even

met. Nemesis reveals the tangled thread of events that linked two of the world's most powerful men in their intense hatred for one another and uncovers the surprising role played by the woman they both loved. Their power struggle unfolds against a heady backdrop of international intrigue: Bobby Kennedy's discovery of the Greek shipping magnate's shady dealings, which led him to bar Onassis from trade with the United States; Onassis's attempt to control much of Saudi Arabia's oil; Onassis's untimely love affair with Jackie's married sister Lee Radziwill; and his bold invitation to First Lady Jackie to join him on his yacht -- without the president. Just as the self-made Greek tycoon gloried in the chance to stir the wrath of the Kennedys, they struggled unsuccessfully to break his spell over the woman who held the key to all of their futures. After Jack's death, Bobby became ever closer to Camelot's holy widow, and fought to keep her from marrying his sworn rival. But Onassis rarely failed to get what he wanted, and Jackie became his wife shortly after Bobby was killed. Through extensive interviews with the closest friends, lovers, and relatives of Onassis and

the Kennedys, longtime journalist Evans has uncovered the shocking culmination of the Kennedy-Onassis-Kennedy love triangle: Aristotle Onassis was at the heart of the plot to kill Bobby Kennedy. Meticulously tracing Onassis's connections in the world of terrorism, Nemesis presents compelling evidence that he financed the assassination -- including a startling confession that has gone unreported for nearly three decades. Along the way, this groundbreaking work also daringly paints these international icons in all of their true colors.

From Evans's deeply nuanced portraits of the charismatic Greek shipping magnate and his acquisitive iconic bride to his probing and revelatory look into the events that shaped an era, Nemesis is a work that will not be soon forgotten.

The *Politics of Horror* features contributions from scholars in a variety of fields—political science, English, communication studies, and others—that explore the connections between horror and politics. How might resources drawn from the study of politics inform our readings of, and conversations about, horror? In what ways might horror provide a useful lens through which to consider enduring questions in politics and political thought? And what insights might be drawn from horror as we consider contemporary political issues? In turning to horror, the contributors to this volume offer fresh provocations to inform a broad range of discussions of politics.

This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the *STATE FAIR* films of 1933 and 1945, *THE BRIDGES OF MADISON COUNTY*, *FIELD OF DREAMS*, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay

covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of

Films, which makes it easy to locate discussions of individual films. Marty

Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition.
