

## LITE-CORE GRANITE

### DESCRIPTION

---

Lite-Core is an engineered panel that combines the durability of natural stone and the light weight of aluminum.

### DURABILITY

---

One of the hardest stones available, granite is a highly scratch and stain resistant solid surface that is backed with an aluminum honeycomb panel. This combination results in a beautiful surface that is durable and lightweight.

### CARE AND MAINTENANCE

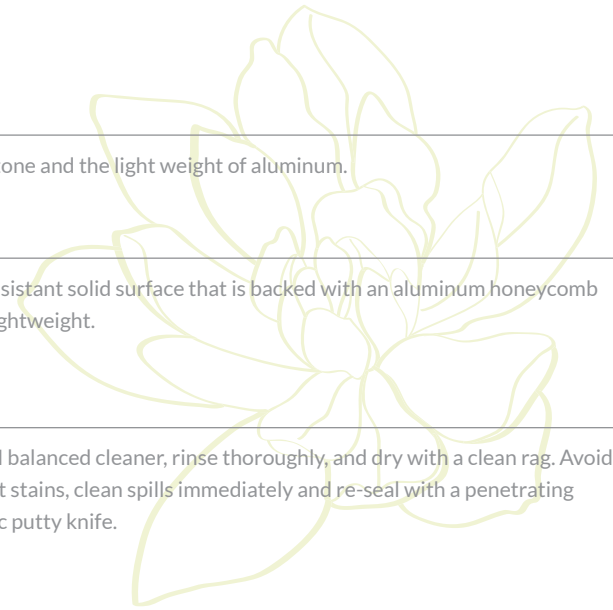

---

Lite-Core tabletops are maintained by using a soft rag and mild soap or pH balanced cleaner, rinse thoroughly, and dry with a clean rag. Avoid bleach and cleaners that are acidic, alkaline, or abrasive. To protect against stains, clean spills immediately and re-seal with a penetrating stone sealer twice a year. Scrape away gum or sticky material with a plastic putty knife.

### WARRANTY

---

Oxford Garden warrants all outdoor furniture and accessories to be free from manufacturing defects in materials and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden will cover your outdoor furniture under a five, three, or one year warranty as applicable. For more details regarding the Oxford Garden warranty, visit [www.oxfordgarden.com/warranty](http://www.oxfordgarden.com/warranty).

### ABOUT OXFORD GARDEN
